

Diapers shouldn't be a luxury item for any family. We truly appreciate your generosity. For homeless and extremely low-income families, the cost of diapers stretches budgets to a breaking point. The donations that you collect will have an immediate impact.

Donate to the Children's Network Diaper Drive!

Help Solano County mothers and children in need by donating disposable diapers. All sizes needed, newborn to toddler (only new, unopened packages, please).

Call the Children's Network at (707)421-7229 to arrange for drop-off or visit

www.childnet.org/diaperdrive for more information.
