

Volunteer Position Description: Child Abuse Prevention Council Assistant

The Solano County Child Abuse Prevention Council (CAP Council) is dedicated to coordinating our community's efforts to prevent and respond to child abuse and neglect and to promote the physical and emotional health of children and families in Solano County. As part of our effort to accomplish this, we need volunteers to assist with the following activities:

- ♥ **Delivering Prevention materials.** CAP Council provides brochures and literature on child safety and parenting to numerous agencies and home visit programs in Solano County. Volunteers are needed to check on literature sites, both by phone and in person, and to distribute literature as needed.
- ♥ **Making Blue Ribbons and/or Distributing Blue Ribbons.** Blue ribbons signify concern about child abuse and support for child abuse prevention efforts. The month of April is "Blue Ribbon Month" in Solano County. Help us to make the ribbons, distribute the ribbons and get the word out about Blue Ribbon Month.
- ♥ **Helping with Displays or Special Events.** CAP Council will be creating special displays to be placed around the County during April, Child Abuse Prevention Awareness Month. If you are artistic, creative or if you work with a group of children who can create art work, we would love to talk to you about ways you can help promote child abuse prevention.
- ♥ **Helping with Annual Awards Event** honoring Child Abuse Prevention advocates.
- ♥ **Assisting with children's activities at events** including Families Making Connections-children of incarcerated parents in October 2009.
- ♥ **Attending Fairs and Festivals.** CAP Council participates in a number of fairs and festivals to promote child safety, positive parenting and child abuse prevention and awareness. Volunteers may help by setting up a display, distributing literature, face-painting for children, and talking to people about the issues and ways to help.
- ♥ **Compiling Mailings and other Errands.** Occasionally CAP Council may need assistance with making copies, stuffing envelopes, etc. We also occasionally may need assistance in purchasing or picking up supplies for a project.
- ♥ **Maintaining Resource/Video/Print Library and Directory of Community resources.**

How to Apply: Send resume to: **Rosemary Kennedy, Children's Network, 2320 Courage Dr., Suite 107, Fairfield CA, 94533.** Email: rosie@childnet.org or Fax : (707)421-6495.
Positions open until filled.
