

## SparkPoint Solano

**We're helping students and community members build stronger financial futures.**

SparkPoint brings together a world of resources to help college students and community members grow and prosper.

We provide a range of no-cost services for students and community members at our three sites, customized to the needs of our clients. Services may include:

- Career development
- Employment services
- Financial education
- One-on-one financial coaching
- Savings and asset building

We are located at Solano Community College

Our Fairfield office is located at Anna Kyle Elementary

(707) 344-6854
