Preparing for CAP Month

CAP Month is an opportunity to highlight child abuse prevention and your organization's positive contributions. Everyone has a role in this effort, and we encourage creativity in your initiatives. Share your activities and tag CNW on social media, so we can share the important work you're doing! Contact Zoila Perez Sanchez at zperez-sanchez@childnet.org if you host any events or plant pinwheels.

Get Active on Social Media

Use the provided toolkit and come up with prevention content of your own! Tell your story and be authentic to your organization and mission. We encourage you to follow CNW on social media, tag us and share our prevention messaging too!

Host a community event

Hosting a community event is a great way to promote togetherness and create a network of support for families. Resource fairs, Parent Café and other family friendly events are encouraged.

Plant a pinwheel garden

Pinwheel gardens will be popping up across the nation during CAP Month. Order materials to create pinwheel gardens of your own and get involved with local organizations and businesses in the process.

Raise awareness

Spread awareness by reaching out to local leaders, media and other businesses in your community. Help us communicate the importance of child abuse prevention and programs and policies that support children and families.

Participate in Wear Blue Day

CAP Month kicks off with Wear Blue Day on Friday, April 5. Wear blue with your team and encourage others to do the same! Post your blue pictures and why you wear blue to social media.

Attend a Training

CNW is offering in person MRMS training sessions all month, and sharing other training opportunities on a variety of topics related to preventing child abuse and neglect. Expand your professional knowledge!
