

LEARN THE MANDATED REPORTER LAW AND
BECOME EMPOWERED TO CREATE A SAFER,
MORE SUPPORTIVE COMMUNITY FOR
CHILDREN AND FAMILIES.

- ✔ California made changes to mandated reporting in 2023. In Solano County, we're taking a proactive approach to transform mandated reporters into community supporters in alignment with these changes. As community supporters, you will be equipped with the tools to make a positive impact and strengthen families.
- ✔ Our 2-hour training goes beyond the standard online training, to address the unique trends and resources available in Solano County, and explore case scenarios to ensure you are well-prepared to support the families you serve.
- ✔ Have questions or need clarification? Our in-person sessions provide ample opportunity for interaction. Engage directly to deepen your understanding and confidence. Don't settle for one-size-fits-all training. Reserve your spot today!
